Dear Sir/Madam,

This is regarding contest of logo of IRCTC for which I have also contributed for it. My name is Soyab Qureshi resident of INDIA from Mumbai. Regarding logo I have tried to incorporate Indian Flag theme in it. Main body I have given of bullet train which signifies developing India dream, three rings at the end of it denotes the motto of Indian Railway. Overall I have kept the design very simple like a common man of India. I have made it in three formats colourful, for black background & for white background. Also made a letter head and mentioned information in it best to my knowledge and for any discrepancies and late submission I apologise. Thanks.
